

Cookies

This policy applies to the use of “cookies” in connection with the website www.calculuscapital.com (the Calculus website). Cookies are only used for the essential use of this website, and for users to efficiently browse the site. Cookies are small text files containing information that is downloaded to your computer or mobile device when you visit a website, to collect standard internet log information and visitor behaviour information.

You can set your browser not to accept cookies or to remove cookies from your browser. However, in a few cases some of the Calculus website features may not function as a result. For more information about how to disable cookies in your browser please visit www.allaboutcookies.org.

Please see list below of cookies used on the Calculus website.

Cookie Name	Category	Description
calculus_terms_agree	strictly necessary	This cookie is used to indicate that you have previously agreed to our terms and conditions and our use of cookies, thus preventing you from having to consent on each visit
_cfduid	strictly necessary	Used by the content network, Cloudflare, to identify trusted web traffic
PHPSESSID	strictly necessary	Preserves user session state across page requests
lang	preferences	Remembers the user's selected language version of a website

We may occasionally collect analytics data via Google Analytics, to improve your use of the website. We do not share with any third parties. All information processed remains anonymous. Please see below list of Google Analytics cookies.

Cookie Name	Category	Description
_ga	Statistics	Registers a unique ID that is used to generate statistical data on how the visitor uses the website
_gat	Statistics	Used by Google Analytics to throttle request rate
_gid	Statistics	Registers a unique ID that is used to generate statistical data on how the visitor uses the website

Third party plug-ins from Vimeo may also occasionally be used, to embed videos on the Calculus website to enhance your user experience.
